

NEW TECHNOLOGY. ENDURING VALUES.

What happens when you incorporate new technology and yet retain the values you've always appreciated in a car?

You get a car that combines sturdiness with speed, reliability with power, luxury with space and agility with safety. A car like the Ambassador 1800 15Z. With a new power-packed 1817 cc ISUZU engine.

Setting standards in performance and comfort. Come, experience the difference.

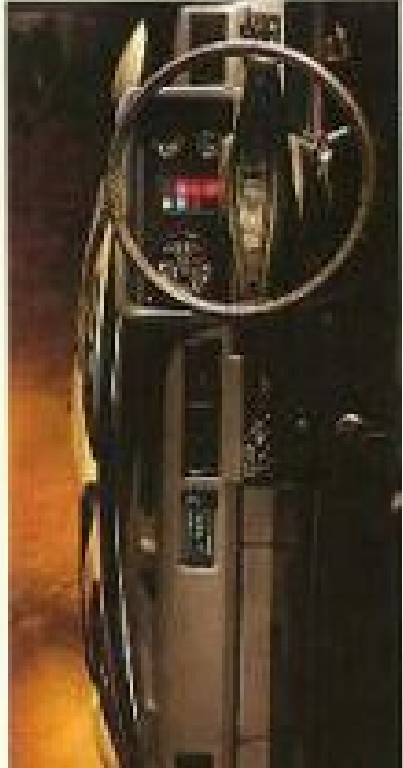

High-powered 1817 cc, 76 HP turbocharged ISUZU engine. Quick responses for a smooth, effort-free drive.

3 forward speed all-synchronized gears with an Over-drive to allow the driver to shift gears.

Easy adjustable (reclining & sliding) bucket seats (with plush velvet upholstery) to enhance driving comfort.

Driver dashboard with easy-to-read instrument panel and control knobs to ensure ease of operation.

Factory-fitted air conditioner or BLU-ACC and BE-A-C options. Also provision for music system and clock.

Dip primavera done to prevent rusting and enhance body life.

SPECIFICATIONS

ENGINE :	
Type	4 Cylinder OHC Gasoline
Capacity	1817 CC
Bore/Stroke	84-88/90 mm
Compression Ratio	8.3 : 1
Max Power HP (PS)	74 @ 5000 rpm
Max Torque (Kgm)	13.8 @ 3000 rpm
Cooling	Water cooled
TRANSMISSION :	
Clutch	Dry Clutch (Duple) 213 mm dia.
Gear Box	40 Speed mesh 5 speed gear box including overdrive
Gear Ratio	I - 3.756 II - 1.967 III - 1.344 IV - 1.000 V - 0.776 Reverse - 3.482
Final Drive Ratio	3.90
Driver	Foot
SUSPENSION :	
Front	Independent suspension with torsion springs and Aca-roll bar with hydraulic telescopic double acting shock absorber
Rear	Semi-triangular leaf springs with hydraulic telescopic double acting shock absorber
STEERING :	
Type	Helical Rack & Pinion
Overall Ratio	22.2 : 1
Turning Circle Dia	10.8 Mtrs.
BRAKES :	
Service	servo assisted dual circuit hydraulic v 9" dia drum brakes on all four wheels. braking on front and leading trailing on rear Cross pull type through cables on rear wheels only.
Parking	
WHEELS :	
Disc	4 x 13
Tyre Size	5.90 x 13 - 6 PR (Crossply) 165 R 15 (Radial)
BODY :	
Type	Unroofed
No. of Doors	4
ELECTRICALS :	
Battery	17 Volt 75 Amp hour.
Alternator	12V 65A
FUEL CAPACITY :	
	54 litres
DIMENSION (MM) :	
Length (Overall)	4311
Width (Overall)	1441
Height (Overall)	1600
Wheel base	2494
Kerb Weight	1104 Kg
GVW	1354 Kg
